### DISH Anywhere

DISH Anywhere lets you enjoy all your live channels and everything on your DVR anywhere you have Internet access. Plus, you can watch thousands of On Demand TV shows and movies\*. To use on your smartphone or tablet, download the free DISH Anywhere app. To use on your computer go to [dishanywhere.com](http://dishanywhere.com).

\* Available on computer and iPad; selection based on customer programming subscription.

1. PrimeTime Anytime must be enabled by customer and is subject to availability. Feature is not available in all markets.  
 2. Select recordings cannot be transferred with Hopper Transfers. All features, functionality and offers subject to change without notice.  
 3. Apps require broadband Internet connectivity.  
 4. 3D requires supported 3D TV.  
 5. Broadband Internet connection required to access full list of On Demand titles.  
 Note: Some features may require additional fees or subscriptions.
