Voice from Jerusalem / Live from Israel, featuring a daily newscast on breaking events, as well as talk shows, ministry, teaching, and music.

TERMS AND CONDITIONS

1. Dominion Sky Angel is making available for a limited period of time a life-long Sky Angel subscription. New subscribers and existing \$9 monthly Sky Angel subscribers who choose to convert to a lifelong subscription may opt to pay the lifelong subscription in full for a total cost of \$399, or on an installment basis at \$39 monthly for 12 months (total cost is \$468 which includes \$1.50 monthly service fee). Existing annual subscribers who have already prepaid \$99 or \$108 receive a \$50 discount off the \$399 for a total cost of \$349, or the subscription can be paid in 10 monthly installments of \$36 (total cost is \$360 which includes a \$1.10 monthly service fee). The lifelong subscription will begin immediately upon receipt of payment and entitles the subscriber to receive the Sky Angel package of thirty-six 24-hour Christian and family-oriented television and radio channels with no further monthly subscription fees for the lifetime of the subscriber and that of their spouse or for the operating lifetime of Dominion Sky Angel. If applicable, state sales tax will be invoiced later. This offer expires on September 15, 2002.

2. This special lifelong offer will only be honored if order is accompanied by the appropriate RED or GREEN order form attached to the enclosed envelope. NEW SUBSCRIBERS AND EXISTING \$9 MONTHLY SKY ANGEL SUBSCRIBERS ARE TO USE THE RED SIDE OF THE ORDER FORM. EXISTING \$99 OR \$108 PREPAID SKY ANGEL SUBSCRIBERS ARE TO USE THE GREEN SIDE OF THE ORDER FORM. Complete all information requested on the order form, and if paying by credit card, complete the credit card information requested including signing the order form and returning it in the enclosed envelope. If paying by check or money order, enclose payment with the completed order form and return in the enclosed envelope. Please make check or money order payable to DHS Direct, Inc.

3. REFUNDING FOR NEW SUBSCRIBERS ONLY: PAYMENTS ARE REFUNDABLE FOR THIS SPECIAL OFFER. IF REQUESTED WITHIN 30 DAYS FROM RECEIPT OF ORDER. NO REFUNDS OF ANY KIND FOR EXISTING \$9 MONTHLY OR PREPAID SKY ANGEL SUBSCRIBERS.

4. In order to activate your Sky Angel lifelong subscription, you must first send in the attached order form with your payment. New subscribers will then need to also purchase and install, at your own expense, a DISH™-brand 18-inch receiving antenna and receiver box. This can be purchased through the DISH™ Network by calling 1-888-777-3474 for equipment. Other sources are Morning Star Satellite at 1-800-435-9211; major retailers Sears, Sam's Club or Costco; or local independent DISH™ Network retailers which can be found in the Yellow Pages under "satellite." Equipment prices starting at \$149 (not including tax or installation) may vary among sellers, so check around for any special lower price offers. DISH™ Network, retailers and dealers can sell equipment only and are not authorized to take Sky Angel lifelong subscription orders, unless they are an authorized Sky Angel Sales Representative. Other DBS systems with the small 18-inch antenna sold under the DSS brand will not work for receiving Sky Angel. You must purchase the DISH™-brand only.

5. If for any reason you are not ready to install the receiving system right away, you can still lock in the lifelong subscription by ordering now during this limited-time offer which expires September 15, 2002, and wait to install your

receiving equipment anytime in the future. Simply fill out the enclosed order form and mail with payment in the envelope provided (do this whether you decide to

purchase your equipment now or later). After you have mailed the order form with payment and then purchased and installed your receiving equipment, call 1-888-SKY-ANGEL (1-888-759-2643) or visit www.skyangel.com to activate your receiver with the Sky Angel programming. When installing the dish or having it installed to receive Sky Angel, make sure your dish is pointed at Sky Angel's satellite located at 61.5 degrees west longitude.

6. If you are only interested in access to the Sky Angel package of Christian and family-oriented channels, you only need one small 18-inch DISH™-brand antenna. If you plan to subscribe to the optional DISH™ Network packages of commercial entertainment, news, sports, movies and other secular cable-type channels in addition to the Sky Angel channels, you will need a second small antenna pointed toward the DISH™ Network DBS satellites at the 110/119 degrees west longitude orbital position together with the 18-inch antenna pointed toward the Sky Angel DBS satellite (61.5 degrees west longitude). DISH™ Network program packages start at \$22.99 monthly. The installation of two small antennas is relatively simple and inexpensive in most circumstances. Channels being received from the two small antennas are electronically combined into a single cable going to your TV set so that all Sky Angel channels and optional DISH™ Network channels are seamlessly integrated into one on-screen TV guide for easy selection and viewing using one hand-held remote control. A single-dish or two-dish system will not interfere with your local cable or over-the-air TV station signal reception. THERE IS NO REQUIREMENT TO PURCHASE DISH™ NETWORK PROGRAMMING IN ORDER TO RECEIVE SKY ANGEL.

7. The Sky Angel lifelong subscription entitles you to receive all of the Sky Angel channels which are a part of the basic Sky Angel package of programming, including special events, as modified from time to time, with no additional charge or monthly fee. You also have access to future pay-per-view, special pay channels, and distance learning that may be carried on the Sky Angel system, however, there would be various additional charges for some of these specialized services. Programming, channels, number of channels, pricing and schedules are subject to change without notice.

8. There may be additional small monthly charges from the DISH™ Network for multiple receiver boxes connected to multiple TV sets for the purpose of watching different programs at the same time on different TV sets.

9. This lifelong subscription is for individual consumer reception only or individual church reception. Any unauthorized retransmission of any Sky Angel television or radio signal by any means whatsoever is strictly prohibited.

10. To request a free information packet about Sky Angel, write to: Dominion, P.O. Box 7609, Naples, Florida 34101, or call toll-free **1-888-SKY-ANGEL**, or visit our Web site at www.skyangel.com. For information about DISH™ Network programming, call Morning Star Satellite toll-free at **1-800-435-9211**.

11. If you are presently subscribing to Sky Angel at \$9 a month, you can convert to the lifelong subscription, but previous \$9 monthly payments cannot be applied.
